

Opportunities

1. Replace existing 'bitumen sprayseal' path with 1.5m wide asphalt path.
2. Repair existing path as needed - resurface, regrade edges, ongoing spraying.
3. Upgrade pathways around the bus stops - concrete pram crossings and aprons apron, review/improve drainage .
4. Bradys Lane regraded and resurfaced with gravel
5. Bus turnaround opposite toilet block.
6. Designated bus stop (no parking).
7. Reduce extent of gravel and reinstate grass and landscaping to surrounds.
8. Parking areas formalised with wheelstops.
9. Designated location for Mobile Library (no parking)
10. Pedestrian connections across main intersection, pub to reserve.
11. Potential areas for high profile landscape/visitor infrastructure element outside pub -picnic tables and seats, heritage interp, horse trough, relocated steel hotel signage, landmark interactive art element (eg couch at Royal Hotel Meredith),
12. Investigate low planting within roundabout.
13. Investigate opportunity for tree planting opposite Avenue of Honour (drainage issues may limit).
14. New pathway south along Ballan Rd to reserve entry gate
15. Concrete pathway to reserve entrys along Bradys Rd
16. New concrete pathway to High St bus stops
17. Bollards and planting south of roundabout to control carparking and increase amenity.

KEY

- Asphalt Path
- Existing (repair)
- Concrete path around bus stop
- Deciduous Trees
- Landmark visitor facilities area
- Improved carpark
- Grass
- Groundcovers
- Low Shrubs
