## SCHEDULE TO CLAUSE 43.01 HERITAGE OVERLAY

### 1.0

#### Application requirements

--/--/----  
Proposed C085moor

The following application requirements apply to an application under Clause 43.01, in addition to those specified elsewhere in the planning scheme and must accompany an application, as appropriate, to the satisfaction of the responsible authority:

- A written statement assessing the impact of the proposal on the heritage place. The statement should identify the contributory elements of the heritage place and how the proposal impacts on these elements.
- For applications where demolition is proposed on the basis of the condition of a building, a written statement by a suitably qualified consultant assessing the structural condition of the building and whether or not any defects can be repaired or restored.
- Plans prepared to scale including the following:
  - Site plan showing all structures affected by the proposal.
  - Demolition plan which shows any building or tree proposed for full or partial demolition.
  - Elevation plans prepared to an appropriate scale.
  - A schedule of finishes, materials and colours for the proposed development.
  - Any ground to be excavated or disturbed.
