

Greendale Township Improvement Plan

The Project

Moorabool Shire Council is developing Township Improvement Plans for small towns across the Shire. Council will be holding a community consultation to explore opportunities for township improvements within the public realm of Greendale.

Greendale Township Improvement Plan

The Greendale Township Improvement Plan will review and guide:

- Street tree plantings
- General amenity improvement and landscaping (e.g. roundabout plantings, civic garden beds)
- Street furniture (e.g. seating, bike hoops)
- Paths and connections

All of which, together create a unique sense of place within a community. The Township Improvement Plan document will help guide and inform future planning and design within the Greendale Township.

What is the timeframe?

A community consultation will be held from **18th August 2020** for four weeks. The Greendale Township Improvement Plan is anticipated to be finalised in early 2021.

We hope you can contribute.

Please contact Catherine Knight on

5366 7100 for further information.

We would like to hear from you!

Input from the community is an important part of this project.

We are encouraging you to participate through the following:

How?

Provide your feedback through Moorabool Shire's 'Have Your Say' community engagement portal, which can be accessed through the Moorabool Shire website or via the following direct link

<https://moorabool.engagementhub.com.au/greendale-township-improvement-plan->

If you don't have internet access please call 5366 7100 to provide your feedback.

When? **18th August 2020**

The results of the consultation will help guide future upgrades and spending within the town. We would love you to be involved in the process and have you help guide the future direction of Greendale.

We hope you can contribute.
