

We want to know about what you love doing creatively and what you'd like to see more!

Throughout February and March 2021 we are holding public forums and conducting a survey to understand the creative life of the Shire. Your contributions will guide the development of Moorabool's first Arts and Culture Strategy.

Visit haveyoursay.moorabool.vic.gov.au to register for one of the forums, fill in the survey or find out more information.

Contact the Arts, Culture and Events officer for more information or a printed version of the survey. ☎ **5366 7100** or ✉ info@moorabool.vic.gov.au
