Favourite activity?

Campdrafting

Why you choose it?

I chose campdrafting as I have always loved horse riding and hanging out with my friends and family and in this sport, we get to do both.

Why you love it?

I love it because it is such a challenging task, to complete the course is a win in itself, and it takes years and years, even generations to master.

Where do you hope your activity will take you?

My goal at the moment is to win a Maiden on one of my horses I trained myself. After that I would love to take my horses to the bigger campdrafts such as Willinga Park or Warwick once I think we're good enough.

What would you say to other women and girls who are looking to start, or starting, a new activity?

Just give it a go! If you don't love it try something else, see if you like the people and the atmosphere, when you find one you love you'll be stuck there!

How do you think Moorabool Shire can help more girls and women be active?

I think the Moorabool Shire could help by offering as much support as possible to local sporting clubs. Club volunteers know what needs to be done to increase involvement, sometimes they just need a hand. The Moorabool Shire (Council) has been great in working with us to relocate our grounds on Bacchus Marsh- Balliang Road and we are very excited to run our first draft at the new facility, hopefully towards the end of the year.
